Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

The Company's officers and directors are and will be indemnified against certain liabilities under (i) Massachusetts law, (ii) the Company's Restated Articles of Organization ("Articles of Organization") and (iii) the Company's Amended and Restated By-laws ("By-laws"). In addition, the Company has indemnification agreements with each of its directors and maintains directors' and officers' liability insurance.

The Articles of Organization

The Articles of Organization provide that no director shall be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability, except for any matter in respect of which the director shall be liable under Section 61 or 62 of Chapter 156B of the Massachusetts General Laws, or any amendment or successor provision thereto, or shall be liable by reason that, in addition to any and all other requirements for such liability, he/she (i) shall have breached his/her duty of loyalty to the corporation or its stockholders, (ii) shall not have acted in good faith or, in failing to act, shall not have acted in good faith, (iii) shall have acted in a manner involving intentional misconduct or a knowing violation of law, or in failing to act, shall have acted in a manner involving intentional misconduct or a knowing violation of law, or (iv) shall have derived an improper personal benefit.

Massachusetts Law

In 2004, Chapter 156B of the Massachusetts General Laws was replaced by Chapter 156D, the Massachusetts Business Corporation Act ("MBCA"), which authorizes indemnification as described below.

Section 2.02(b)(4) of the MBCA provides that a Massachusetts corporation may, in its articles of organization, eliminate or limit the personal liability of a director for monetary damages for breach of fiduciary duty notwithstanding any law to the contrary, except for liabilities involving (i) any breach of duty of loyalty to the corporation or to the shareholders, (ii) acts or omissions not in good faith, intentional misconduct or knowing violations of law, (iii) certain improper distributions or (iv) any transaction from which the director derived an improper personal benefit.

Section 8.51 of the MBCA authorizes a Massachusetts corporation to indemnify an individual who is a party to a proceeding because he or she is a director against liability incurred in the proceeding if (1) (i) such individual conducted himself/herself in good faith, (ii) such individual reasonably believed that his/her conduct was in the best interest in the corporation or that his/her conduct was at least not opposed to the best interest of the corporation, and (iii) in the case of any criminal proceeding, such individual had no reasonable cause to believe that his/her conduct was unlawful or (2) such individual engaged in conduct for which he/she shall not be liable under a provision of the Articles of Organization authorized by Section 2.02(b)(4) of the MBCA.

Section 8.52 of the MBCA provides that a corporation must indemnify a director who is wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because he/she was a director of the corporation against reasonable expenses incurred by him/her in connection with the proceeding.

Section 8.56 of the MBCA authorizes a corporation to indemnify an officer of the corporation who is a party to a proceeding because he/she is an officer of the corporation to the same extent as a director and, if he/she is an officer but not a director, to such further extent as may be provided by the articles of organization, by-laws or a resolution of the board of directors or contract, except for liability arising out of acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law. Section 8.56 of the MBCA requires that a Massachusetts corporation indemnify an officer of the corporation who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which such officer was a party because he was an officer of the corporation.

The Company's By-laws contain provisions which implement the indemnification provisions of the Articles of Organization, including each director's and officer's rights to indemnification in connection with each proceeding in which he or she is involved as a result of his or her serving as a director or officer. These provisions do not apply if the director or officer has been adjudicated to not have acted in good faith in the reasonable belief that his or her action was in the best interests of the Corporation or to the extent that such proceeding relates to service with respect to an employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan.

Indemnification Agreements

The Company has entered into indemnification agreements with each of its directors. The indemnification agreements require the Company to indemnify the director against any expenses or liabilities incurred in connection with any proceeding in which the director may be involved as a party or otherwise, by reason of the fact that the director is or was a director of the Company or by any reason of any action taken by or omitted to be taken by the director while acting as a director of the Company. However, the Company is only obligated to provide indemnification under the indemnification agreements if: (i) the director was acting in good faith and in a manner the director reasonably believed to be in the best interests of the Company, and, with respect to any criminal action, the director had no reasonable cause to believe the director's conduct was unlawful; (ii) the claim was not made to recover profits by the director in violation of Section 16(b) of the Securities Exchange Act of 1934, as amended, or any successor statute or similar law; (iii) the claim was not initiated by the director; (iv) the claim was not covered by applicable insurance; or (v) the claim is permitted by applicable law. Each director has undertaken to repay the Company for any costs or expenses paid by the Company if it is ultimately determined that the director is not entitled to indemnification under the indemnification agreements.

Item 9. Undertakings

The undersigned Registrant hereby undertakes the following:

- (a) The undersigned Registrant hereby undertakes:
 - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration

statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes, that, insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(b) **SARs:** The maximum aggregate number of Shares that may be granted in the form of Stock Appreciation Rights pursuant to Awards granted in any one fiscal year to any one Participant shall be 500,000.

(c) **Restricted Stock:** The maximum aggregate number of Shares that may be granted with respect to Awards of Restricted Stock granted in any one fiscal year to any one Participant shall be 500,000.

(d) **Deferred Stock/Restricted Stock Unit Awards:** The maximum aggregate grant or award with respect to Awards of Deferred Stock Units made in any one fiscal year to any one Participant may not exceed \$7,000,000. The maximum aggregate grant with respect to Awards of Restricted Stock Units made in any one fiscal year to any one Participant may not exceed \$7,000,000.

(e) **Other Stock Unit Awards:** The maximum aggregate grant with respect to Awards of Other Stock Units made in any one fiscal year to any one Participant may not exceed \$10,000,000.

(f) **Performance Shares Awards:** The maximum aggregate grant with respect to Awards of Performance Shares made in any one fiscal year to any one Participant shall be equal to the Fair Market Value of 500,000 Shares (measured on the date of grant).

Notwithstanding anything in the Plan to the contrary and subject to adjustment as provided in Section 4.4, the maximum aggregate number of Shares that may be granted as Awards in any one fiscal year to a Director shall be equal to the Fair Market Value of 20,000 Shares (measured on the date of grant) and the maximum aggregate number of Shares that may be granted as Awards to any Director cumulatively under this Plan is 700,000.

4.4 Adjustments in Authorized Shares. Upon a change in corporate capitalization, such as a stock split, reverse stock splits, rights offerings, stock dividend or a corporate transaction, such as any merger, consolidation, combination, exchange of shares or the like, separation, including a spin-off, or other distribution of stock or property of the Company, any reorganization (whether or not such reorganization comes within the definition of such term in Code Section 368) or any partial or complete liquidation of the Company, such adjustment shall be made in the number and class of Shares that may be delivered under Section 4.1, in the number and class of and/or price of Shares subject to outstanding Awards granted under the Plan, and in the Award limits set forth in Section 4.3, as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights.

4.5 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of,

and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan; provided that, unless the Committee determines otherwise at the time such adjustment is considered, no such adjustment shall be authorized to the extent that such authority would be inconsistent with the Plan's or any Award's meeting the requirements of Section 162(m) of the Code, as from time to time amended.

Article 5. Eligibility and Participation

5.1 Eligibility. Persons eligible to participate in this Plan include all Employees and Directors of the Company and its Subsidiaries.

5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible Employees and Directors, those to whom Awards shall be granted and shall determine the nature and amount of each Award, provided that Incentive Stock Options shall only be awarded to Employees of the Company or its Subsidiaries.

Article 6. Stock Options

6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee.

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, and such other provisions as the Committee shall determine which are not inconsistent with the terms of the Plan.

6.3 Option Price. The Option Price for each Option shall equal the Fair Market Value of the Shares at the time such option is granted. No ISOs will be granted to a Ten Percent Shareholder. The Option Price may not be decreased with respect to an outstanding Option following the date of grant and no Option will be replaced with another Option with a lower Option Price.

6.4 Duration of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant, provided that an Option must expire no later than the seventh (7th) anniversary of the date the Option was granted.

6.5 Exercise of Options. Options shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.

6.6 Payment. Options shall be exercised by the delivery of a written, electronic or telephonic notice of exercise to the Company or its designated agent, setting forth the number of

Shares with respect to which the Option is to be exercised, accompanied by full payment of the Option Price for the Shares.

Upon the exercise of any Option, the Option Price for the Shares being purchased pursuant to the Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) subject to the Committee's approval, by delivery of previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the Shares that are delivered must have been held by the Participant for at least six (6) months prior to their delivery to satisfy the Option Price); (c) subject to the Committee's approval, by authorizing a third party to sell Shares (or a sufficient portion of the Shares) acquired upon exercise of the Option and remitting to the Company a sufficient portion of the sales proceeds to pay the Option Price; (d) subject to the Committee's approval, by a combination of (a), (b), or (c); or (e) by any other method approved by the Committee in its sole discretion. Unless otherwise determined by the Committee, the delivery of previously acquired Shares may be done through attestation. No fractional shares may be tendered or accepted in payment of the Option Price.

Unless otherwise determined by the Committee, cashless exercises are permitted pursuant to Federal Reserve Board's Regulation T, subject to applicable securities law restrictions, or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law.

Subject to any governing rules or regulations, as soon as practicable after receipt of notification of exercise and full payment, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased pursuant to the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

6.7 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such Shares.

6.9 Special Limitation on Grants of Incentive Stock Options. No ISO shall be granted to an Employee under the Plan or any other ISO plan of the Company or its Subsidiaries to purchase Shares as to which the aggregate Fair Market Value (determined as of the date of grant) of the Shares which first become exercisable by the Employee in any calendar year exceeds \$100,000. To the extent an Option initially designated as an ISO exceeds the value limit of this Section 6.9 or otherwise fails to satisfy the requirements applicable to ISOs, it shall be deemed a NQSO and shall otherwise remain in full force and effect.

6.10 Dividends and Other Distributions. Participants holding Options shall not be credited with dividends or any equivalent amount in lieu of dividends.

Article 7. Stock Appreciation Rights

7.1 Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee.

Subject to the terms and conditions of the Plan, the Committee shall have complete discretion in determining the number of SARs granted to each Participant and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs.

The grant price of a SAR shall equal the Fair Market Value of a Share on the date of grant.

7.2 SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, and such other provisions as the Committee shall determine.

7.3 Term of SARs. The term of an SAR granted under the Plan shall be determined by the Committee, in its sole discretion, provided that an SAR must expire no later than the seventh (7th) anniversary of the date the SAR was granted.

7.4 Exercise of SARs. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon them.

7.6 Payment of SAR Amount. Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

(a) The amount by which the Fair Market Value of a Share on the date of exercise exceeds the grant price of the SAR; by

(b) The number of Shares with respect to which the SAR is exercised.

The payment upon SAR exercise shall be in Shares. Any Shares delivered in payment shall be deemed to have a value equal to the Fair Market Value on the date of exercise of the SAR.

7.7 Dividends and Other Distributions. Participants holding SARs shall not be credited with dividends or any equivalent amount in lieu of dividends.

Article 8. Restricted Stock

8.1 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Participants in such amounts as the Committee shall determine.

8.2 Restricted Stock Agreement. Each Restricted Stock grant shall be evidenced by a Restricted Stock Award Agreement that shall specify the Period(s) of Restriction, the number of

Shares of Restricted Stock granted, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan.

8.3 Other Restrictions. The Committee may impose such other conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable federal or state securities laws.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied.

Except as otherwise provided in the Award Agreement, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

8.5 Voting Rights. If the Committee so determines, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction.

8.6 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder (whether or not the Company holds the certificate(s) representing such Shares) may, if the Committee so determines, be credited with dividends paid with respect to the underlying Shares while they are so held. The Committee may apply any restrictions to the dividends that the Committee deems appropriate. Without limiting the generality of the preceding sentence, if the grant or vesting of Restricted Shares granted to a Covered Employee is designed to comply with the requirements of the Performance-Based Exception, the Committee may apply any restrictions it deems appropriate to the payment of dividends declared with respect to such Restricted Shares, such that the dividends and/or the Restricted Shares maintain eligibility for the Performance-Based Exception.

Article 9. Deferred Stock and Restricted Stock Units

9.1 Award of Deferred Stock Units. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may award Deferred Stock Units to Participants in lieu of payment of a bonus or other Award if so elected by a Participant under such terms and conditions as the Committee shall determine, including terms that provide for the grant of Deferred Stock Units valued in excess of the bonus or Award deferred.

9.2 Election to Receive Deferred Stock Units. A Participant must make an election to receive Deferred Stock Units in the calendar year before the calendar year in which the services related to the Award are first performed. The Committee may require a Participant to defer, or

permit (subject to any conditions as the Committee may from time to time establish) a Participant to elect to defer, receipt of all or any portion of any payment of cash or Shares that otherwise would be due to such Participant in payment or settlement of an Award under the Plan, to the extent consistent with Section 409A of the Code. (Such payments may include, without limitation, provisions for the payment or crediting of reasonable interest in respect of deferred payments credited in cash, and the payment or crediting of dividend equivalents in respect of deferred amounts credited in stock equivalents.) Settlement of any Deferred Stock Units shall be made in a single sum of cash or Shares.

9.3 Grant of Restricted Stock Units. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Restricted Stock Units to Participants in such amounts as the Committee may determine.

9.4 Restricted Stock Units Agreement. Each Restricted Stock Unit grant shall be evidenced by a Restricted Stock Unit Award Agreement that shall specify the date or dates and any other terms and conditions on which the Restricted Stock Units may vest and such other terms and conditions of the grant as the Committee shall determine.

9.5 Form and Timing of Payment of Restricted Stock Units. Payment of vested Restricted Stock Units, or, if a Restricted Stock Unit Award is subject to partial vesting, the vested portion of such Award, shall be made in a single sum of cash or Shares or a combination thereof as soon as practicable after the Restricted Stock Units or portion of the Award vests, but in no event later than 2½ months after the calendar year in which vesting occurs. It is intended that a Restricted Stock Unit Award be exempt from the application of Section 409A of the Code as a “short-term deferral.”

Article 10. Other Stock Unit Awards

10.1 Grant of Other Stock Unit Awards. Subject to the terms of the Plan, Other Stock Unit Awards that are valued in whole or in part by reference to, or are otherwise based on, Shares or other property, may be granted to Participants, either alone or in addition to other Awards granted under the Plan, and such Other Stock Units shall also be available as a form of payment in the settlement of other Awards granted under the Plan. Other Stock Units shall be granted upon such terms, and at any time and from time to time, as shall be determined by the Committee.

10.2 Award Agreement. Each Other Stock Unit grant shall be evidenced by an Other Stock Unit Agreement that shall specify the restrictions upon such Other Stock Units, if any, the number of Other Stock Units granted, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan.

Article 11. Performance Shares

11.1 Grant of Performance Shares Awards. Subject to the terms of the Plan, Performance Shares Awards may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee.

11.2 Award Agreement. At the Committee's discretion, each grant of Performance Shares Awards may be evidenced by an Award Agreement that shall specify the initial value, the duration of the Award, the performance measures, if any, applicable to the Award, and such other provisions as the Committee shall determine which are not inconsistent with the terms of the Plan.

11.3 Value of Performance Shares Awards. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Shares Awards that will be paid out to the Participant. For purposes of this Article 11, the time period during which the performance goals must be met shall be called a "Performance Period."

11.4 Earning of Performance Shares Awards. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Shares Awards shall be entitled to receive a payout based on the number and value of Performance Shares Awards earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

11.5 Form and Timing of Payment of Performance Shares Awards. Payment of earned Performance Shares Awards shall be as determined by the Committee and, if applicable, as evidenced in the related Award Agreement. Subject to the terms of the Plan, the Committee, in its sole discretion, may pay earned Performance Shares Awards in the form of cash or in Shares (or in a combination thereof) that have an aggregate Fair Market Value equal to the value of the earned Performance Shares Awards at the close of the applicable Performance Period. Such Shares may be delivered subject to any restrictions deemed appropriate by the Committee. No fractional shares will be issued. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award or the resolutions establishing the Award.

Unless otherwise provided by the Committee, Participants holding Performance Shares shall be entitled to receive dividend units with respect to dividends declared with respect to the Shares represented by such Performance Shares.

Article 12. Performance Criteria

Unless and until the Committee proposes for shareholder vote and the Company's shareholders approve a change in the general performance criteria set forth in this Article 12, the attainment of which may determine the degree of payout and/or vesting with respect to Awards to Covered Employees that are intended to qualify for the Performance-Based Exception, the

performance criterion or criteria to be used for purposes of establishing the performance goals of such grants shall be chosen by the Committee from among: revenue; earnings per share; operating income; net income (before or after taxes); cash flow (including, but not limited to, operating cash flow and free cash flow); gross profit; growth in any of the preceding measures; gross profit return on investment; gross margin return on investment; working capital; gross margins; EBIT; EBITDA; return on equity; return on assets; return on capital; revenue growth; total shareholder return; economic value added; customer satisfaction; technology leadership; number of new patents; employee retention; market share; market segment share; product release schedules; new product innovation; cost reduction through advanced technology; brand recognition/acceptance; product ship targets; and stock value.

Performance criteria may be applied as follows: to either the Company as a whole or to a division, business unit, operating unit, platform, parent or subsidiary, or an individual; measured annually, cumulatively over a period of years, or otherwise; on an absolute basis or relative basis; to a pre-established target, to previous years' results or to a designated comparison group or index; or on a GAAP or non-GAAP basis, in each case as specified by the Committee in the Award.

The Committee shall determine the period for which performance goals are set and during which performance is to be measured. Performance periods may be of varying and overlapping durations. To the extent an Award is intended to qualify for the Performance-Based Exception, the performance goals must be established in writing by the Committee no later than the earlier of (a) 90 days after the commencement of the applicable performance period, or (b) the date on which 25% of the performance period has elapsed, and in any event at a time when the outcome of the performance goals remains substantially uncertain.

Awards may include minimum, maximum, target, and intermediate levels of performance with the final value of the Award determined by the Committee under the applicable formula.

Awards that are intended to qualify for the Performance-Based Exception may not be adjusted upward (the Committee shall retain the discretion to adjust such Awards downward notwithstanding the attainment of the performance goals).

If an Award so provides, the Committee may evaluate achievement against and make adjustments to the performance criterion or criteria to prevent dilution or enlargement of a Covered Employee's rights by taking into account any of the following events that occur during a performance period: asset write-downs; litigation, judgments, or claim settlements; the effect of changes in the tax laws or rates, accounting principles, or other laws or provisions affecting reported results; accruals for reorganization and restructuring programs; currency exchange rate fluctuations; a change in the Company's fiscal year; the impact of acquisitions, divestitures and joint ventures; the results of discontinued operations or products; and extraordinary gains or losses or other non-recurring charges or events.

As soon as reasonably practicable following the completion of the performance period applicable to an Award intended to qualify for the Performance-Based Exception, the Committee shall certify the extent to which the applicable performance goals have been attained and the Covered Employee's right to payment of the Award.

If applicable tax and/or securities laws change to permit Committee discretion to alter the governing performance criteria without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval.

Article 13. Rights of Participants

13.1 Employment. Nothing in the Plan shall confer upon any Participant any right to continue in the Company's or its Subsidiaries' employ, or as a Director, or interfere with or limit in any way the right of the Company or its Subsidiaries to terminate any Participant's employment or directorship at any time.

13.2 Participation. No Employee or Director shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

13.3 Rights as a Stockholder. Except as provided in Sections 8.5, 8.6 and 11.5 or in the applicable Award Agreement consistent with Articles 8, 9, 10, or 11, a Participant shall have none of the rights of a shareholder with respect to shares of Company common stock covered by any Award until the Participant becomes the record holder of such Shares.

13.4 Nontransferability. Unless otherwise set forth by the Committee in an Award Agreement, Awards (except for vested shares) shall not be transferable by a Participant except by will or the laws of descent and distribution (except pursuant to a Beneficiary designation) and shall be exercisable during the lifetime of a Participant only by such Participant or his or her guardian or legal representative. Under no circumstances will an Award be transferable for value, consideration or in settlement of any obligation, including a division of assets in a divorce proceeding. A Participant's rights under the Plan may not be pledged, mortgaged, hypothecated, or otherwise encumbered, and shall not be subject to claims of the Participant's creditors.

Article 14. Termination of Employment/Directorship

14.1 Effect on Options. Upon termination of the Participant's employment or directorship for any reason other than Disability, death, or, in the case of NQSOs, retirement, an Option granted to the Participant may be exercised by the Participant or permitted transferee at any time on or prior to the earlier of the expiration date of the Option or the expiration of three (3) months after the date of termination but only if, and to the extent that, the Participant was entitled to exercise the Option at the date of termination.

14.2 Effect of Retirement on NQSOs. Upon termination of the Participant's employment or directorship due to retirement (as defined in the Award Agreement), a NQSO granted to the Participant may be exercised by the Participant or permitted transferee at any time on or prior to the earlier of the expiration date of the Option or one of the two following deadlines: (a) in the case of Options granted prior to July 29, 2009, the expiration of two (2) years after the date of termination due to retirement, or (b) in the case of Options granted after

July 29, 2009, the expiration of five (5) years after the date of termination due to retirement. The term “retirement” has the meaning given to it in the Award Agreement. In either case, the Participant may only exercise the NQSO if, and to the extent that, the Participant was entitled to exercise the Nonqualified Stock Option at the date of termination.

14.3 Effects on Other Awards. Upon termination of the Participant’s employment or directorship for any reason other than Disability or death, all Awards other than Options shall be treated as set forth in the applicable Award Agreement. If the employment or directorship of a Participant terminates by reason of the Participant's Disability or death, all Awards shall be treated as set forth in the applicable Award Agreements.

14.4 Leaves of Absence. Unless otherwise determined by the Committee, an authorized leave of absence pursuant to a written agreement or other leave entitling an Employee to reemployment in a comparable position by law or rule shall not constitute a termination of employment for purposes of the Plan unless the Employee does not return at or before the end of the authorized leave or within the period for which re-employment is guaranteed by law or rule.

14.5 Definition of Termination. For purposes of this Article, a “termination” includes an event which causes a Participant to lose his eligibility to participate in the Plan (e.g., an individual is employed by a company that ceases to be a Subsidiary). In the case of a nonemployee director, the meaning of “termination” includes the date that the individual ceases to be a director of the Company or its Subsidiaries.

14.6 Exceptions. Notwithstanding the foregoing, the Committee has the authority to prescribe different rules that apply upon the termination of employment of a particular Participant, which shall be memorialized in the Participant’s original or amended Award Agreement or similar document.

14.7 Termination of Awards. An Award that remains unexercised after the latest date it could have been exercised under any of the foregoing provisions or under the terms of the Award shall be forfeited.

Article 15. Change in Control

In the event of (1) any sale or conveyance to another entity of all or substantially all of the property and assets of the Company or (2) a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchange or trading system, or unless the Committee shall otherwise specify in the Award Agreement, the Board, in its sole discretion, may:

- (a) elect to terminate Options or SARs in exchange for a cash payment equal to the amount by which the Fair Market Value of the Shares subject to such Option to the extent the Option or SAR has vested exceeds the exercise price with respect to such Shares;
- (b) elect to terminate Options or SARs provided that each Participant is first notified of and given the opportunity to exercise his/her

vested Options for a specified period of time (of not less than 15 days) from the date of notification and before the Option or SAR is terminated;

- (c) permit Awards to be assumed by a new parent corporation or a successor corporation (or its parent) and replaced with a comparable Award of the parent corporation or successor corporation (or its parent);
 - (d) amend an Award Agreement or take such other action with respect to an Award that it deems appropriate;
- or
- (e) implement any combination of the foregoing.

Article 16. Amendment, Modification, and Termination

16.1 Amendment, Modification, and Termination. Subject to the terms of the Plan, the Board may at any time and from time to time, alter, amend, suspend, or terminate the Plan in whole or in part.

16.2 Awards Previously Granted. Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award. Such written consent is not required for a change necessary to comply with applicable law even if the change adversely affects a previously granted Award in a material way. Except in connection with a corporate transaction involving the company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding awards may not be amended to reduce the exercise price of outstanding Options or SARs or cancel outstanding Options or SARs in exchange for cash, other awards or Options or SARs with an exercise price that is less than the exercise price of the original Options or SARs without stockholder approval.

16.3 Shareholder Approval Required for Certain Amendments. Shareholder approval will be required for any amendment of the Plan that does any of the following: (a) increases the maximum number of Shares subject to the Plan; (b) changes the designation of the class of persons eligible to receive ISOs under the Plan; or (c) modifies the Plan in a manner that requires shareholder approval under applicable law or the rules of a stock exchange or trading system on which Shares are traded.

Article 17. Withholding

Whenever Shares are to be issued in satisfaction of Awards granted under this Plan, the Company has the power to require the Participant to remit to the Company, or to the Subsidiary employing the Participant, an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax requirements or any other tax liability legally due from the Participant prior to the delivery of Shares pursuant to exercise or settlement of any Award. Whenever payments in satisfaction of Awards granted under this Plan are to be made in cash,

such payment will be net of an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax requirements or any other tax liability legally due from the Participant. The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time and to limitations of local law, may require a Participant to satisfy such tax withholding obligation or any other tax liability legally due from the Participant, in whole or in part by (i) paying cash, (ii) having the Company withhold otherwise deliverable cash or Shares that have a Fair Market Value equal to the minimum statutory amount required to be withheld, (iii) having the Company withhold proceeds from the sale of Shares either through a voluntary sale or through a mandatory sale arranged by the Company which delivers proceeds to the Company equal to the minimum statutory amount required to be withheld, (iv) delivering to the Company already-owned Shares having a Fair Market Value equal to the minimum amount required to be withheld, or (v) any other arrangement approved by the Committee.

Article 18. Successors

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, through merger, consolidation, or otherwise, of all or substantially all of the business, stock and/or assets of the Company.

Article 19. General Provisions

19.1 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

19.2 Severability. If any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

19.3 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

19.4 Securities Law Compliance. With respect to Insiders, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act, unless determined otherwise by the Board. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board.

19.5 Listing. The Company may use reasonable endeavors to register Shares issued pursuant to Awards with the United States Securities and Exchange Commission or to effect compliance with the registration, qualification, and listing requirements of any state or foreign securities laws, stock exchange, or trading system.

19.6 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

19.7 No Additional Rights. Neither the Award nor any benefits arising under this Plan shall constitute part of an employment contract between the Participant and the Company or any Subsidiary, and accordingly, subject to Section 16.2, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to liability on the part of the Company for severance payments.

19.8 Noncertificated Shares. To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange or trading system.

19.9 Governing Law. The Plan and each Award Agreement shall be governed by the laws of Massachusetts, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts whose jurisdiction covers Massachusetts, to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.

19.10 Compliance with Code Section 409A. No Award that is subject to Section 409A of the Code shall provide for deferral of compensation that does not comply with Section 409A of the Code, unless the Board, at the time of grant, specifically provides that the Award is not intended to comply with Section 409A of the Code. Notwithstanding any provision in the Plan to the contrary, with respect to any Award subject to Section 409A, distributions on account of a separation from service may not be made to Key Employees before the date which is six (6) months after the date of separation from service (or, if earlier, the date of death of the employee).

Ladies and Gentlemen:

We are acting as counsel to Haemonetics Corporation, a Massachusetts Corporation (the "Company"), in connection with the registration on a Registration Statement on Form S-8 (the "Registration Statement") under the Securities Act of 1933, as amended, of 4,800,000 additional shares (the "Shares") of the Company's common stock, par value \$.01 per share, to be issued from time to time pursuant to the Company's 2005 Long-Term Incentive Compensation Plan (the "Plan").

As such counsel, we have examined and relied upon copies of the Plan, the Company's Restated Articles of Organization, as amended, and By-laws, and such other documents and certificates as we have deemed necessary as a basis for the opinions herein expressed.

In our examination, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies and the authenticity of the originals of such copies. We have also assumed that: (i) all of the Shares will be issued for the consideration permitted under the Plan as currently in effect; (ii) all actions required to be taken under the Plan by the Board of Directors of the Company and any committee thereof will be taken by the Board of Directors of the Company and any committee thereof, respectively; and (iii) at the time of the issuance of the Shares under the Plan, the Company shall continue to have sufficient authorized and unissued shares of Common Stock reserved for issuance thereunder.

Based upon the foregoing, and having regard for such legal considerations as we deem relevant, we are of the opinion that the Shares issuable pursuant to the Plan have been duly authorized and, when issued in accordance with the terms of the Plan and of any agreement relating to any of the grants and awards thereunder, such Shares will be validly issued, fully paid and nonassessable shares of capital stock of the Company.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement on Form S-8.

Very truly yours,

By: /s/ Choate Hall & Stewart LLP
